

EC Declaration of Incorporation

The manufacturer S&P Sistemas de Ventilación S.L.U
C/Llevant , 4
08150-Parets del Vallès-Barcelona

hereby declares that the product described below

DOUBLE INLET FORWARD CURVED CENTRIFUGAL FANS

Tipo FDA

Serial number All Manufactured

CE mark date 12

complies with the requirements of the Machinery Directive 2006/42/EC based on the following harmonized standards

EN ISO 12100:2010 //EN ISO 13857:2008 //

According with Annex II-1 B, should the product defined above be used as part of a machine, then it must not be put into service until the machine in which it is incorporated has been declared in conformity with the provisions of the Machinery Directive 2006/42/EC.

The Technical Director is the person authorized to compile relevant technical documentation in accordance with Annex VII part B.

Compliance with EN ISO 13857 refers to safety devices when supplied, and installed, with the product. The responsibility for compliance with EN ISO 13857 is the installer of the system where the product is applied.

We are committed to provide relevant information on this product in response to a reasonable request by national authorities.

It is the responsibility of the user select, use and assemble the accurate motor and transmission drive system to complet a final assembly fan. Assembling them according to the Manual Instructions, it also complies with the Commission Regulation (EU) No 327/2011 implementing Directive 2009/125/EC with regard to ecodesign requirements for fans driven by motors with an electric input power between 125 W and 500 kW (including those fans for replacement of identical fans integrated in products which were placed on the market before 1 January 2013).
